The Saint Paul Department Professional Development Institute is hosting  
“Multi-Agency Incident Management for Law Enforcement and Fire  
Service” by International Association of Chiefs of Police (IACP).

This course is intended for command-level officers in law enforcement  
and the fire service who respond to and work together using the Incident  
Command System (ICS) in incidents involving the real or potential of risk  
to life and property. The course entails interactive lecture, case studies,  
and incident simulations followed by open discussions. Specific topics  
regarding both fire service and law enforcement agencies include their  
basic life, safety and property protection functions and their relationships;  
their capabilities, traditions and limitations; the importance of leadership in  
preparing for and responding to critical incidents; and leadership elements  
to help a community to mobilize during and recover from a critical incident.

To request registration materials, call the Saint Paul Police Department  
Training Unit at (651) 266-5555 or contact IACP at 1-800-843-4227.
